Manifesto for the Office of Publicity Secretary

Dear Learned Senior Advocates and colleagues,

It is my pleasure to present myself to be voted into the Office of Publicity Secretary of the NBA, Lagos Branch.

I intend to bring a more robust approach to the image making of our Branch both among our members and with external stakeholders. I will work with the Executive Committee and members of the press to fulfil my functions as stipulated in the Uniform Bye-Laws which are:

1. To publicise the activities of the Branch and if the need arises to assist the National Publicity Secretary of the Association in matters relating to events within the jurisdiction of the Branch.
2. To present a correct and positive image of the Branch to the public.
3. To on the direction of the Chairman, issue Press Releases and Statements on matters of general interest to the Branch as approved by the Executive Committee or, in case of emergencies, by the Chairman.

In discharging my functions as stipulated above, I intend to deploy all available and feasible channels of communication to reach all relevant stakeholders.

Thank you once again for your support.
